MID-AMERICA TECHNOLOGY CENTER

Mid-America Technology Center (MATC) is a public career and technology education center in Wayne, OK, that serves Garvin and other area counties. As part of the Oklahoma Department of Career and Technology Education system, MATC offers 33 academic programs and has an average enrollment of 1,000 full-time high school and adult students. Programs give students a foundation in careers such as emergency medical technician, manufacturing, automotive maintenance and repair, computer networking, carpentry, cosmetology, cyber security, health care, graphic design, HVAC repair and installation, pre-engineering, welding, business office assistance, and many more. MATC also works closely to provide advanced learning for area schools. Additionally, MATC's customized short-term adult training and development programs serve 12,000 to 15,000 professionals and adult citizens per year. Its Leadership Mid-America program provides leadership training with a new class starting each September. The district was formed in 1968 and its first classes started in 1971.
